Dear Parents/Carers,

YEARS K-6 TERM 2 SPORT PROGRAM

After the success of the 2012 trial with years 5 and 6, it has been decided that during Term 2, all classes will be participating in sport with professional coaches teaching sporting skills to each of the classes. The cost of the program is outlined below and covers the nine 1hr sessions with the coaches. Each class will be involved in three, 3-week programs covering the sports of tennis, athletics and AFL. During the trial, 95% of the children participated in the paid sport option.

The program aims to encourage students to increase their physical activity levels and improve skills in a fun, safe and inclusive environment. Not only does it engage children actively, but also builds links with community based organisations to create opportunities for ongoing participation. Some important factors are:

- All sessions are conducted utilising the ‘Playing for Life’ approach. This approach has been designed to help overcome some of the barriers children experience when participating in sport.
- All sessions are fun, safe and include engaging sport-related games that maximise participation and challenge all children regardless of their ability level or background.
- The sessions will be run on Wednesday (Infants) & Thursday (Primary) during sport lessons beginning Week 1 of Term 2.
- If any family does not want their child to participate in the professional coaches program, a free in school sporting program is offered and instructed by classroom teachers.
